Our Request for Dua...

O Allah, Lord of all hearts,
Purify our hearts and unite them upon truth. Remove from us
pride, resentment and division, and replace them with sincerity,
mercy and love for one another for Your sake.

O Allah, bless our masjid and our community.

Guide us to that which is best, and bring forward those who are
most sincere, capable and pleasing to You to serve it. Unite our
community behind every decision that earns Your pleasure, and
place barakah in all that is done for Your religion.

Our Lord, accept our efforts, forgive our shortcomings, and
make this masjid a lasting source of guidance, worship and
benefit for generations to come.
